Rivière-des-Prairies: living nature

Bordered by the river of the same name, the Rivière-des-Prairies neighbourhood offers a beautiful setting. The breathtaking views and green spaces are a draw for many real estate developers and their new residential projects.

Already well-established, the sector has a wide variety of services and shops. Pharmacies, medical clinics, local restaurants, grocery stores—you'll find everything here.

Sports lovers are well served at René-Masson park. Located 850 m from Résidence Lionel-Bourdon, the region's largest park plays host to the local soccer teams. And in the winter, ice covers the lawn, much to the delight of skaters.

There is no shortage of things to do in Rivière-des-Prairies. The more athletic residents will opt to head to the park or even the aquatic centre, while lovers of culture will feel in their element in the library.
